Dear Mr. Olsen:

The Division received an application to allow the pumping of sediment into the Gilson Seam on July 4, 2001. We anticipate completing this review by August 10, 2001. Steve Demczak has been assigned as the team lead on this project. Copies are being forwarded to the Bureau of Land Management for their review and concurrence.

If you have any question, please call Steve at (435)-613-5242 or me at (801) 538-5325.

Sincerely,
